## AN INTRODUCTION TO THE SCHOOL

### **IDLE CHURCH OF ENGLAND (AIDED)**

**PRIMARY SCHOOL** is situated in an attractive modern building located in a spacious, elevated site, with playing fields and extensive moorland views. We are an expanding school, expecting a full complement of pupils by September 2020.

Pupils enjoy the benefits of personal attention from a hardworking team of dedicated staff. The school logo and Mission Statement symbolise the school's aims for the children in our care:

*'To give each child a quality education in a caring, Christian environment'*

In addition to offering an excellent foundation for an all-round education, our school is distinguished by its commitment to Christian education, worship and values, including teaching a respect for people of other beliefs.

Close links with Holy Trinity Church are maintained as part of the school's foundation and visitors from other local Churches and Charities enrich our children's experience.
